

# Cookie Policy

The website <https://artwelding.net> (hereinafter referred to as the "Website"), owned by Artwelding GmbH, uses cookies to provide the best online experience and ensure secure browsing. The cookie policy defines our use of cookies and provides information on how they are used.

## Cookies

A cookie is a small data file that our server sends to your web browser in order to provide a customized and high-quality service. If you return to our website, your browser will send the cookie back to our server and make it possible to create a connection between individual sessions.

## Types of Cookies Used on the Website

There are two types of cookies you may encounter on our website:

- Session identification and use facilitating (temporary) cookies are necessary for the proper use of the website. Without these, the website or its parts may not be displayed, consent to cookie management cannot be stored, and browsing becomes hindered. By visiting our website, you acknowledge the use of these cookies.
  - o Session/Session cookie (mandatory for operation)
  - o XSRF token - security token (mandatory for operation)
- Permanent cookies: Depending on your web browser settings, they may remain on your device for a long time or until you delete them. If the cookie is installed by the web server of Artwelding GmbH and the data is transferred within its own database, it is considered an internal cookie. If the cookie is installed by the web server of Artwelding GmbH or a third-party service provider and the data is transferred to an external service provider, it is considered an external cookie.
  - o Cookie confirming the acceptance of the cookie management statement
  - o Analytical and advertising cookies: for Google and Facebook services.

Based on the purpose of use, the following types are identified:

Statistical cookies:

- a. Full Google Analytics measurement code cookie
- b. Measurement code suitable for other web analytics

During your visit to the <https://artwelding.net> website, you can consent to the use of permanent cookies by clicking the "ACCEPT" button in the pop-up message appearing on the home page.

Stored Data: Identification code, date, time, previously visited page

Storage Period: Temporary cookies that assist session use are stored until the session is closed. Permanent cookies are usually stored on your computer for 1 year or until you delete them.

Please note that cookies can be deleted from your computer at any time or disabled in your browser.

For more information about logging and cookie management from Google, Facebook service providers for managing measurement data and personalizing your ads, please visit the following websites: <https://www.facebook.com/about/privacy>, [www.google.com/intl/hu/policies/privacy](http://www.google.com/intl/hu/policies/privacy).
